

# Facebook Spaces

VR is better with friends

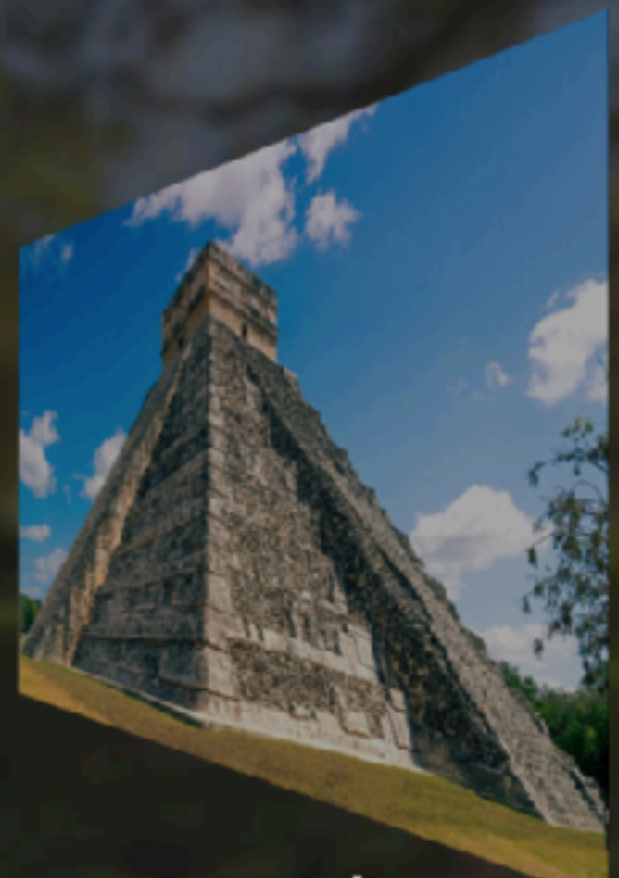

# Be yourself in VR

- Build and customize your avatar

# Share memories

- Show Facebook photos and videos (Regular and 360 ones)

# Get creative

- Draw 3D objects

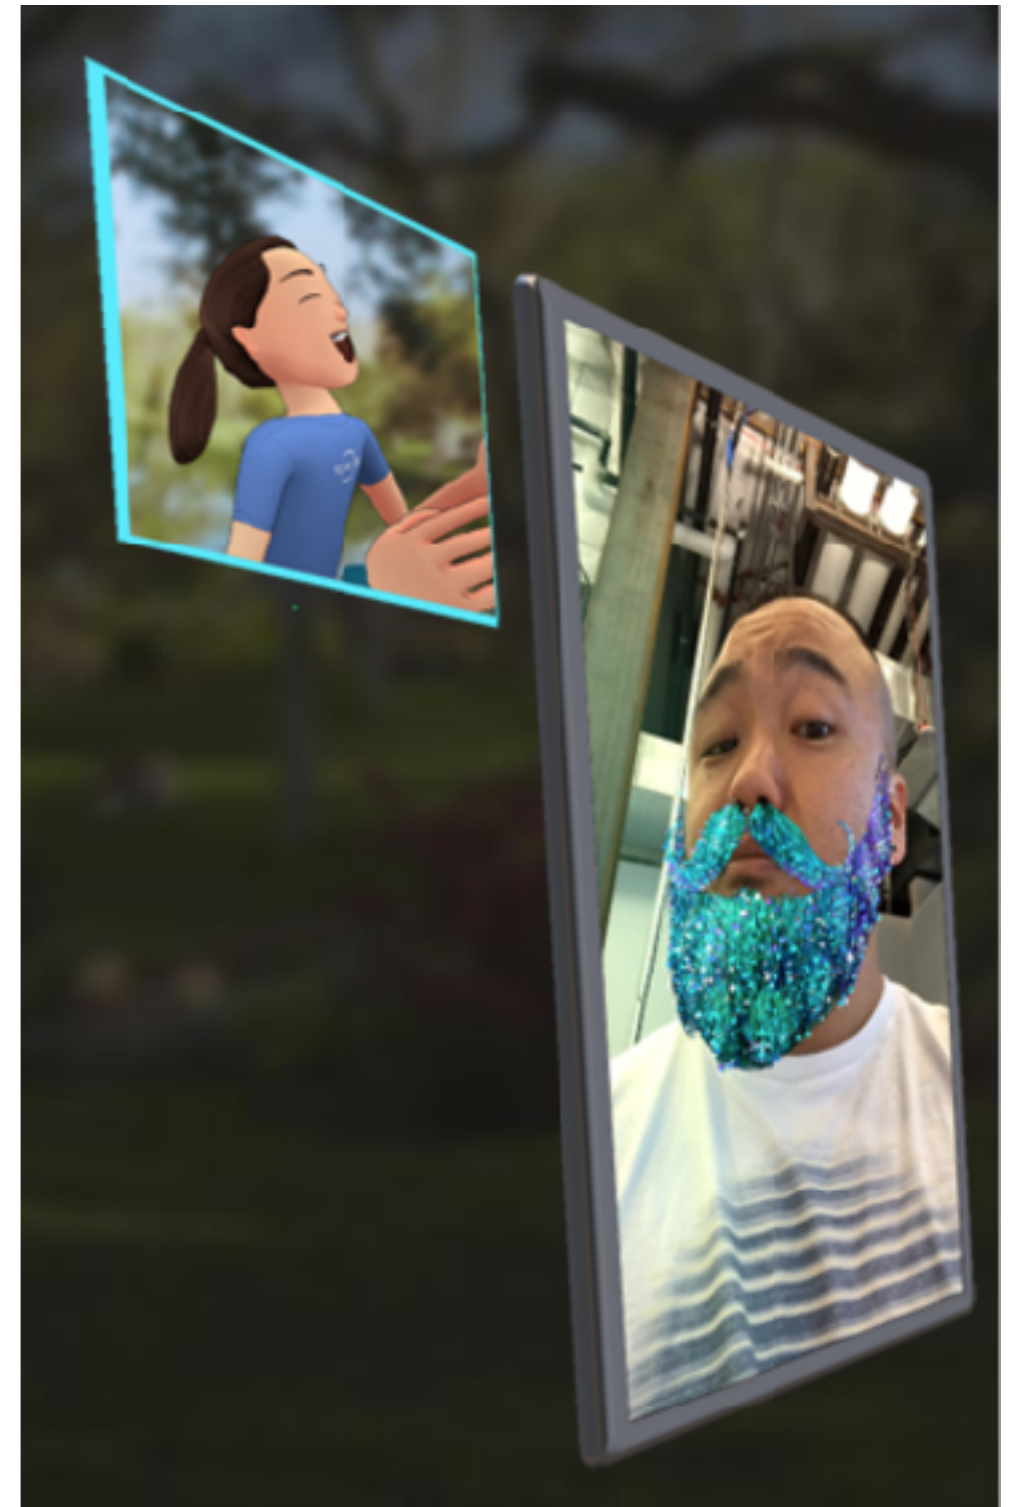

# Capture the moment

- Take photos in VR

# Connect with friends

- Make and receive Messenger video calls with friends even if they're not in VR

# Future

- Put real world object into VR
